### 1. Earn Points on Purchases

For every **EUR 100** spent, you earn **1 point**.

**EUR  
100**

= 1 point

**EUR  
150**

= 1.5 points

**EUR  
300**

= 3 points

Points are added through completed purchases and accumulate over time in your account.

### 2. Redeem Points for Discount

You can redeem your accumulated points once you reach the minimum threshold.

**Minimum redemption: 10 points**

**Reward: 10% discount on your order**

All point accumulation works toward the same redemption goal: reach 10 points and unlock a 10% discount.

### 3. Referral Rewards

When logged in, you receive a personal referral link inside your **Rewards** area.

- Share your referral link with friends
- Your referred friend places an order
- Once the order is completed, you earn **2 points**

Referral points also count toward your next 10-point redemption milestone.

### 4. 10% Off First Order

New customers can benefit from a **10% discount on their first order**.

This gives new shoppers a valuable welcome reward while also allowing them to start collecting loyalty points for future benefits.

## Levels and One-Time Rewards

As your points grow, you can move through loyalty levels. Reaching selected levels unlocks a one-time discount reward.

Level 1

Starting level as you begin collecting points.

Level 2

Receive a **one-time 10% discount** when you first reach Level 2.

Level 3

Receive a **one-time 10% discount** when you first reach Level 3.

Level 4

Receive a **one-time 10% discount** when you first reach Level 4.

**Important:** Level rewards are one-time milestone rewards. Your regular purchase points and referral points still continue accumulating toward future 10-point redemptions.

## Frequently Asked Questions

This PDF version shows all answers expanded for easy reading.

### How do I earn points?

You earn **1 point for every EUR 100 spent**. This means if you spend EUR 150, you earn 1.5 points, and if you spend EUR 300, you earn 3 points.

### When can I redeem my points?

You can redeem your points once you reach a minimum of **10 points**. At that stage, you qualify for a **10% discount** on your order.

### How does the referral program work?

Your account includes a unique referral link in the Rewards section. When someone uses your link, places an order, and the order is completed, you receive **2 points**.

### Do referral points count toward redemption?

Yes. Referral points are added to your total points balance and count toward the **10-point minimum** needed for a 10% discount redemption.

### What is the first-order discount?

New customers can benefit from a **10% discount on their first order**. This is a welcome reward for getting started with Research Peptides Europe.

### What happens when I reach Level 2, 3, or 4?

When you first reach **Level 2, Level 3, or Level 4**, you receive a **one-time 10% discount** for that level milestone.

### Where can I view my points, rewards, and referral link?

Log in to your account and open the **Rewards** menu. There you can view your available points, redeemed points, referral link, rewards, coupons, and recent loyalty activity.

### When are points usually added?

Points are generally awarded after the relevant order has been completed according to your loyalty program setup.
